About MDI

Creating Knowledge, Making Impact

Established in **1973**, MDI Gurgaon is one of the premier business schools of India.

Over a period of 50 years, MDI has carved a unique position for itself in delivering management education to both executives and graduate students. The B-school has the **country's largest exchange program** and is the first to launch an International Summer University. It is the also the **first B-school in India to be internationally accredited by AMBAs** (Association of MBAs), United Kingdom.

MDI makes significant contributions in both the academic and corporate worlds through incisive research and through its training programs thus, translating best practices from academia to industry. It has more than 80 full time and 105 visiting faculty of national and international acclaim. It has three residential programs of management and four other training programs for executives.

About Delphique

The Red Carpet Event of MDI Gurgaon

Delphique, the National Management Convention of MDI Gurgaon, **carries a legacy of 29 years**.

It is a one-of-a-kind platform that bridges the gap between academia and industry. Through keynote addresses, panel discussions, and national-level competitions, Delphique provides students with the opportunity to engage with corporate leaders, showcase talent, and gain real-world insights across diverse domains of management.

With its 29th edition, Delphique is set to raise the bar - creating a stage where corporate leaders, academia, and students come together to exchange ideas, network, and tackle contemporary business challenges with fresh, innovative perspectives.

Mission & Vision

The Red Carpet Event of MDI Gurgaon

Mission

Delphique aims to provide a platform where future business leaders can showcase their innovative thinking, foster industry-academia collaboration, and facilitate meaningful discussions on management topics.

Vision

Delphique envisions being the go-to event for corporate leaders, students, and academia to connect, share insights, and explore diverse management areas, fostering research and professional growth.

Values

Delphique values innovation, research excellence, collaboration, and creating a space for networking and knowledge exchange among students, industry experts, and academia in the field of management.

VINCENZA
The International Business Plan Competition

About Vincenza

Where Dreams Take Flight!

- International B-plan Competition that provides a platform to students and start-ups to present their business plans in front of our esteemed judges which includes angel investors and venture capitalists
- The top 10 teams receive mentorship from partner venture capitalists (VCs) for about 6 weeks
- Not only the winners, but teams selected for final presentation round get the opportunity to be groomed by various VCs/Angel Investors with a chance to raise funding as well. “It’s not about ideas. It’s about making ideas happen.”

MUN
Model United Nations

About MUN

Empower Tomorrow's Leaders

- Model United Nations is an excellent opportunity for students to dawn their thinking caps and critically analyse problems pertaining to economics, politics, history of countries
- It enhances skills such as diplomacy, conflict resolution, and strategic thinking
- A two day session packed with debates, insights and perspectives on matters of social, political and civil importance
- It helps cultivate and improve skills on diplomacy, conflict resolution, strategizing and helps develop an international perspective towards evaluating problems
